

London | February 6th, 2018 | FORGET CHOCOLATES & FLOWERS ON VALENTINE'S DAY: INDULGE INSTEAD IN THE SENSUAL ONLINE GIFT THAT KEEPS ON GIVING

Online sex and intimacy guide Kamorii.com today urges lovers to ditch the traditional Valentine's Day customs and invest in something far more substantial and beneficial to our intimate relationships.

"While we should all embrace the spirit of Valentine's Day to the fullest, there are more exciting ways to celebrate this festival of love by taking positive steps to improve the quality of our relationships and maximise our long term sexual pleasure." states Kamorii founder, Julia Akers.

By accessing the wealth of sexual technique guides and advice available on kamorii.com, Julia envisions that couples can put their Valentine's night to far better use in the bedroom than splashing the cash on transient gifts.

Julia adds "Why spend so much on unfairly price-hiked dining and roses once a year, when for a fraction of the price lovers can indulge in far more fun, frolics, and memorable moments for the whole year and every coming year thanks to the techniques and activities you can try on Kamorii.com?"

For couples feeling fruity, one trip to the supermarket in the next few days is all that is needed. Kamorii.com reveals suggestions for bringing out the berries and cream, with one's partner becoming the dinner plate. And for the kinkily-inclined couple, rather than buying a dozen red roses, why not buy some stockings and cheekily put them good use? Kamorii's Beginner's Guide to BDSM, written by a professional London-based dominatrix, has everything you need to get started on your exciting kinky journey.

Stepping out to a swish restaurant can leave us feeling bloated with little energy or volition to do anything else except fall asleep. Kamorii's Tantric Sex Guide, again, written by an expert in the field, offers you a whole suite of tantric activities to try out on Valentine's evening that could mean a far more treasured night indoors and will gift you a whole new insight into your partner and set you on path of intense sexual pleasure for the future.

And if that is not enough Kamorii's 86 sex guides, 1300+ illustrations, 540+ categorized sex positions, 180+ Kama Sutra positions, 110+ Sex Position Sequences (bespoke to Kamorii) will more than suffice for even the most sexually adventurous lovers.

"A one-time payment of \$25 combined with the desire to improve one's relationship and sexual technique is definitely worth far more than a few hours of a dining and flowers," states Julia. "Valentine's Day comes only once a year but thanks to Kamorii.com, you can enjoy more sexual pleasure and intimacy and develop the knowledge to do far more valuable displays of love each and every day."

Happy Valentine's Day and get ready for a super orgasmic 2018!

There is a special Gifting Offer available for couples on Kamorii right now, buy it for yourself for \$25 and at the same time gift it to your partner for only \$10. The perfect way to get your partner on board with a whole new style of loving.
