The internet now being at the forefront of life today, it was time for a comprehensive sex and intimacy guide to join the web. Kamorii can be used by couples to spice up their love lives, singles to learn new techniques and improve their solo play, and young people to enjoy a healthy introduction to the world of sex.

Over 540 sex positions have been carefully curated and categorised. More than 100 unique sex position sequences choreographed for users to play in a revolutionary Sex Position Player. Kamorii provides 86 step by step fully illustrated guides authored by experts; including a tantric sex teacher and a London based professional dominatrix. The experts cover the joyous realms of female sexual pleasure, male sexual pleasure, intimacy, tantric sex, women's solo play, BDSM, fetishes and the kama sutra; therefore delivering an emporium of sexual knowledge.

Kamorii is meticulously designed to raise the standard of technical illustration in the sex guidance arena; delivering the user high quality, non-intrusive and aesthetically pleasing digital artwork. An international team of digital concept illustrators produced over 1000 illustrations to make learning new techniques pleasurable and fun. Artistic styles include photorealism, comic art and fantasy art genres.

Envisage a commute home on a train or bus; thinking about what you may do in bed tonight. Open Kamorii and choose a sex sequence or guide that a partner will enjoy. Send the link to the partner with a scintillating sext and look forward to the sexy night of fun ahead.
